

Report to the Director
From
Hugh Porter, Student Services Coordinator
Region 3
1/18/18

My activities in the past month included:

- I participated in the Career Prep/JMG program review, which went very well. This is a valuable program here which greatly helps our seniors.
- I'm continuing to help students with their college applications and financial aid.
- The United Technical Institute (UTI) college rep visited on 1/16 and 1/19 to make presentations to both A and B day students. Sargent Corp. representatives presented to our students on 1/18 and 1/19. There is much student interest in both of these organizations.
- I expect Cianbro and BIW representatives to visit in February.
- I investigated one sexual harassment case and one possible bullying case.

Thank you for your support and Healthy/Happy New Year.

Respectively,

Hugh Porter
