

Hello NPT Region III students and families,

In order to help minimize the number of students riding on buses during the 2020-2021 school year, students will be allowed to drive to Region III as long as the following conditions are met:

- Driving permits must be printed and filled out before driving to Region III. The driving permit is attached to the Region III website. Just click on “Student Resources” and it’s right there.
- Your principal or superintendent must agree that driving to Region III is permitted.
- Permits must be signed by the student, parent/guardian, and principal before driving to Region III (You can get the necessary Region III signatures after arriving for your first day of school).
- You will receive a laminated driving permit on your first day of school. You must show this driving permit every day upon arrival at the school.
- Read the driving permit carefully. There are some very strict rules for driving to the school.
- **YOU CANNOT BRING PASSENGERS TO/FROM REGION III IN YOUR VEHICLE!**

The reason for all of these rules is simple: we need you here, safe and healthy. Do your part, be smart, and be safe.

Mr. Ring
Director
Northern Penobscot Tech Region III
