WELDING

Instr: Scott Cornell

Date: Monday & Wednesdays, 8 wks. , 3/1 to 5/3, 5-8 p.m.

Fee: \$450

No prior welding experience is necessary for the 8-week, 2-nights per week SMAW course. This course is designed to allow students to progress at their own pace (self-paced). Students may choose to continue beyond learning the basics to prepare for AWS certification (priced separately). These welding career courses can help prepare you to enter the workforce as a structural welder. Students who have taken this course within the past 2 years will receive a \$50 reduction in class fee and are not required to repeat the full safety portion of the class. Students who choose to prepare for the AWS certification testing will receive a \$50 discount toward the test fee.

Leather Safety-Toed Boots are required.

ServSafe Sanitation

Instr: Chef Ammerman

Date: TBD, 4 wks., Time: 3-5:30 p.m.

Fee: \$175.00 (Includes testing and textbooks)

Do you work at a restaurant, diner, convenience store, or school nutrition program in food service? Did you know that the State of Maine requires all food establishments to have at least one full-time Certified Food Protection Manager on staff? Perhaps you volunteer at your organization's "Bean Suppers" and are concerned about proper food handling and safety. This 4-week ServSafe course provides that knowledge and a recognized certification.

Call now to register, class will be scheduled as demand warrants
