

Northern Penobscot Tech Region III

Business Management/Accounting Instructor

NPT Region III is seeking an Instructor for our Business Management/Accounting program. We are an innovative Career and Technical High School offering high level technical education to students from our region.

Our Business Management/Accounting program is a one- or two-year program focusing on Management, Accounting, Entrepreneurship and Marketing.

The ideal applicant will have strong math skills, care about young people, and want to continue to build a program that will challenge and inspire students to be the business leaders of tomorrow.

Prior education or business management experience is preferred. A desire to be a part of a team that delivers the best CTE instruction in the state is a must. Candidates must be willing to earn a CTE teacher endorsement from the Maine Department of Education.

All applicants must submit a resume, three letters of reference, application, and copies of related certifications and licenses to:

Director
