

**Northern Penobscot Tech Region III**

**Construction Technology Instructor**

NPT Region III is seeking an Instructor for our Construction Technology program. We are an innovative Career and Technical High School offering high level technical education to students from our five sending high schools.

Our Construction Technology program is a one- or two-year program focusing on framing and fine woodworking.

The ideal applicant will possess strong carpentry skills, care about young people, and have the desire to continue a program that has a long history of challenging and inspiring students to be the leaders of tomorrow.

Experience and knowledge of framing and fine woodworking is needed. A desire to be a part of a team that delivers the best CTE instruction in the state is a must. Candidates must be willing to earn a CTE teacher endorsement from the Maine Department of Education.

All applicants must submit a resume, three letters of reference, application, and copies of related certifications and licenses to:

Director  
Northern Penobscot Tech Region III  
35 West Broadway, Lincoln, Maine 04457

Applications can be emailed to:  
[emiller@nptregioniii.com](mailto:emiller@nptregioniii.com)

Applications can be found at [www.region3.mainecte.org](http://www.region3.mainecte.org)

*It is the policy of Northern Penobscot Tech Region III to ensure equal employment/educational opportunities, affirmative action regardless of race, sex, color, national origin, marital status, religion, age or disability in accordance with all federal and state legislation relative to discrimination." Further, Region III will not use or distribute a publication of the type described above which suggests, by text or illustration, that Region III treats applicants, students, or employees differently on the basis of sex.*
